World Environment Day (WED) is celebrated every year on 5<sup>th</sup> June. This year's WED is special because India is the host country with a theme **“Beat Plastic Pollution”** **“करेंगे संग प्लास्टिक प्रदूषण से जंग “**.

Central Coalfields Limited (CCL) organized a drive starting 01.06.2018 to beat plastic pollution and awareness campaign near water bodies of Ramgarh, Giridih, Ranchi and Latehar districts.

Personnels of Environment & Forest Department, CCL enthusiastically took initiative of cleaning plastics from Kanke Dam premises at 7.00 AM.
